ONTARIO BIRD BANDERS' ASSOCIATION

BANDING NEWSLETTER NO. 6

FALL BANDING PROGRAMME

After a very successful spring, plans are now being made for the fall. At an executive meeting it was decided that for the fall the association would provide lodging only at Point Pelee. Members must supply their own meals. The cottage at Aviation Inn has been rented for the month of September and it will be available the day after Labour Day, the 3rd of September. It is hoped that the station will be manned throughout the month and not just on what are considered "good" week-ends. Only by continuous coverage are we able to crop the waves.

Realizing that a number of the members are unable to visit the Point Pelee Station it was decided to set up other stations closer to home. A number of members have agreed to act as regional chairmen to co-ordinate banding activities in the areas listed below. Members wishing to co-operate are requested to get in touch with the following:-

- POINT PELEE - Mr. Doug Dow, 30 Brookside Street, London.
- PELEE ISLAND - Mr. Jim Woodford, 233 Roehampton Avenue, Toronto, 'phone - Hu. 8-5766.
- LONG POINT - Mr. Marshall Field, 89 Elm Street, St. Thomas.
- TORONTO-AJAX - Mr. Frank Lovesy, 220 Gowan Avenue, Toronto 'phone Ho. 5-9039
- RICE LAKE - Mr. Frank Smith, 1 Century Drive Scarborough or c/o Mr. Ewart King, Plainville, Rice Lake
- RONDEAU PARK - Mrs. Molly Usher, R.R. 1, Morpeth.

BAND SERIES

All members who take part in any of the association's projects are requested to file a complete list of their band series with the Secretary-Treasurer.

FOREIGN BANDS

Members should check with the Secretary-Treasurer before reporting recoveries, especially of birds taken at Point Pelee.

FIELD OUTING

September 14th at 2:00 p.m. Happy Nook, Pickering, home of Mr. Alf Bunker.
