

ONTARIO BIRD BANDING ASSOCIATION NEWSLETTER

Dec 1971.

Due to the departure of Miss Monica Connolly for the Arctic, this newsletter comes to you rather late and somewhat brief. Your president has assumed all duties relating to the secretary and, therefore, I request you correspond with me until the annual meeting in February. No newsletter will be issued in January.

The December meeting will take place on December 14th (2nd Tuesday) at 8:00 p.m. in the home of Mr. J.O.L. Roberts, 22 Rowanwood Avenue, Toronto. The speaker will be Mr. John Miles and his talk will be:

"A Bird Bander in Northern Ontario."

John will also talk about his present operation in Wiarton. Everyone is welcome.

The January meeting will take place on January 11th (2nd Tuesday) at 8:00 p.m. in the home of Mr. C.H. Richards, 27 Killdeer Crescent, Toronto. The speaker will be Mr. John Woods of Guelph and his talk will be:

"The Saw-What Owl."

This promises to be an excellent talk on the ecosystem of the Saw-What and I understand that John has discovered some new species of parasites. All are welcome.

Our Annual General Meeting speaker will be Dr. John Barlow of the ROM. Full particulars in the February newsletter.

On behalf of the executive let me wish you all a happy and holy Christmas!

A. Salvadori  
President
