The evening social is held at the Long Point Bird Observatory Old Cut Research Station.

There may be a practical bird banding session (weather and bird dependent) on Sunday where members can hone their skills, and share information and knowledge with each other. There are always a few surprises!

The LPBO Old Cut Research Station is on Old Cut Blvd. on Long Point, just two streets before Highway 59 ends at Long Point Provincial Park. It is the 6th building on the right as you head north on Old Cut Blvd. from Highway 59. There is a small sign on the front lawn. You can park in parking lot across the street.

BUCKET RAFFLE: As in previous years a bucket raffle will be held. Any member wishing to donate a prize should bring it to the meeting, or if they prefer contact any board member.
